RESPONSE TO EXAMINER'S ACTION

S I R:

In response to the Examiner's Action dated January 12, 1999, the response time which has been extended for two months by petition, please consider the following remarks in support of the patentability of claims 1-8 and 10-16 now pending in this application.

R E M A R K S

Applicant has elected not to amend the claims because applicant believes the claims clearly distinguish the present invention from the cited prior art. It is respectfully submitted that the claims are in condition for allowance.

I hereby certify that this correspondence is being deposited with the
United States Patent Office as Express Mail No. EJ591002767US
Addressed To: Assistant Commissioner for Patents, Washington, D.C.
